SUMMARY

An AI-ML enthusiast and an undergraduate student at Institute of Engineering and Management, Kolkata. Passionate about AI, Machine Learning & problem-solving. Skilled in Java, Python and Data Structures & Algorithms. Actively participating in hackathons, startup initiatives, and real-world projects to build impactful software solutions..

EDUCATION

Institute of Engineering and Management <i>B.Tech in Computer Science Engineering (AI & ML)</i> - CGPA: 8.71/10 (till 3rd semester) - Minor in Cybersecurity Relevant Coursework: Data Structures & Algorithms, Computer Organisation & Architecture, Object-Oriented Programming, Artificial Intelligence & Machine Learning, Python	Kolkata, India Jul 2024 – Present
Techno India Group Public School, Siliguri CBSE: Higher Secondary (Class XII): 84.2%, Secondary (Class X): 96.4%	Siliguri, India 2024, 2022

TECHNICAL SKILLS

Languages: Java, C, Python, MySQL, JavaScript
Web Technologies: HTML, CSS, React.js, Fast APIs
Data Science: Pandas, NumPy, Matplotlib, Seaborn
Tools: Git, GitHub, Jupyter Notebook, Google Colab, VS Code, Excel

EXPERIENCE

Web Development Intern – Rinex Has successfully completed Web development internship program at Rinex	Jan 2026 – Feb 2026
--	---------------------

PROJECTS

To-Do List / Task Manager App Project Description: A simple task management app where users can add, edit, delete, and mark tasks as complete with priority levels. It helps users organize daily activities efficiently with a clean and responsive interface. Skills Required: DOM Manipulation, Event Handling, Local Storage (Browser), Responsive UI Design, Basic JavaScript Logic, CSS Styling & Flexbox/GridForm Validation. Tools & Technologies Used: HTML5 - Structure of the app, CSS3 - Styling and layout, JavaScript (Vanilla) - Core logic and interactivity, Local Storage API - To save tasks without a backend, VS Code - Code editor, Live Server Extension - For real-time browser preview, Git & GitHub - Version control and project hosting.	Mar 2026

ACHIEVEMENTS & CERTIFICATIONS

- IEEE DOUBLE SLASH 4.0:** Secured **Top 11 out of 350 teams** at DoubleSlash 4.0, a 36-hour hackathon organized by IEEE Jadavpur University, pitching the final solution to a panel of judges. Demonstrated skills in rapid prototyping, problem solving, and team collaboration under strict time constraints.
- HackSnippet 4.0:** Secured **2nd Runner-Up at HackSnippet 4.0**, a hackathon hosted by the Institute of Engineering & Management (UEM), Kolkata, competing against talented teams with a real-world solution. Demonstrated strong skills in problem solving, rapid development, and teamwork under competitive conditions.
- Smart India Hackathon (SIH) 2025:** Collaborated in a team to design and submit a technical solution; advanced to the pre-final stage and ranking among the **top 50 teams** from the college.
- NPTEL:** Earned **Elite** certification in *Soft Skills*, awarded for top performance in the course.
- IBM SkillsBuild:** Completed professional certifications in *Cyber Security Machine Learning, and AI Ethics*.
